Percussionists are expected to perform on both snare drum and mallet percussion. Their test material may also include snare drum rudiments.

French horn players need rotor oil (NOT valve oil) and tuning slide grease (Selmer Tuning Slide and Cork Grease preferred).

PERCUSSIONISTS: Percussionists need to have a snare drum to keep at school, a pair of snare drum sticks (SD1 or 5a), and medium yarn mallets. Students will occasionally play timpani, and may choose to purchase his/her own staccato timpani mallets, though they are not required. A stick bag and practice pad are recommended too, but also not required.

SCHOOL OWNED INSTRUMENTS: Students using school owned instruments should purchase their own mouthpiece if possible. Please email Mrs. Moorhead for suggestions.
