## 12/60 Club! Auditions

---

The 12/60 Club! Is an award designed to recognize students who can play all 12 major scales in 60 seconds or less. They are awarded with: a certificate of achievement, recognition at the May Concert, their name on a perpetual plaque in the band room and lunch provided by Mrs. Moorhead.

To accurately play all twelve major scales is a great accomplishment for any junior high student. Auditions will be held on May 4, 2023. Please encourage your student to try for this award as it is truly an awesome accomplishment.

## Why Music Education?

---

Music education can promote cultural awareness and understanding, as students learn about different musical styles and traditions from around the world.

Participating in music education can provide a positive and productive way to spend free time, reducing the risk of negative behaviors and habits.

Learning to read music can improve literacy skills and help students develop a deeper appreciation for language and communication.

Music education can provide a creative outlet for students who may not excel in traditional academic subjects.

Playing an instrument can help students develop discipline and time management skills, as they learn to balance practice and performance with other responsibilities.

Music education can be a fun and engaging way to learn about history, culture, and society.

Participating in music education can provide a valuable extracurricular activity that can enhance college and job applications.

Learning to play an instrument can be a lifelong hobby and a source of enjoyment and relaxation throughout adulthood.

Music education can promote critical thinking and problem-solving skills, as students learn to interpret and analyze musical compositions.

Playing an instrument can be a source of pride and accomplishment, as students develop their skills and perform for family, friends, and the community.
